

Mary Clear & Incredible Edible RWC present
**Incredible Edible
 Communities**

Register at <http://maryclear.eventbrite.com>

Incredible Edible is a movement, started in Todmorden, UK and became a model that is being implemented globally.

" We are passionate people working together for a world where all share responsibility for the future wellbeing of our planet and ourselves. We aim to provide access to good local food for all. "if you eat, you're in"

We grow fruit, herbs and vegetables around Todmorden that are for everyone to share. We also run a wide range of events that help strengthen the local community. Would you like to join us?" Incredible Edible Todmorden

We invite gardeners, chefs, cooks, artists and anyone that values local foods as a centerpiece for your community wellbeing and sharing to come and be inspired by co-founder Mary Clear on her Bay Area visit.

You'll have an opportunity to meet Mary and answer questions that can be shared with your own community. Join Us!

April 24,
 2016
 1 pm

At Unitarian Universalist
 Fellowship Hall,
 2124 Brewster Ave
 Redwood City

Sponsored by
 Incredible Edible
 Redwood City.

Co-Sponsors: Acterra,
